

About Us

We are passionate about gadgets and gifts and totally committed to offering the best and unique gifts at affordable price. Our mission is to offer our customers "an experience in on-line shopping" and by doing so spreading the good reputation of our company".

We scout for unique and new product to introduce to you. We negotiate with manufactures and suppliers and bulk buy where possible, so that the savings is passed on to give you an affordable and competitive price.

We believe we are, also, in the business of making our customers happy in their purchase from us and we succeed or fail by how well we do this. If you are not 100% happy with our product we are interested to know about it. If it is a valid reason we will make it right for you by offering a refund, replacement or exchange for another item of the same price. Your statutory rights are not affected (See "Terms and Condition").

All personal information that you submit to us will only be used to complete your sales transaction and/or to inform you of our product and any future promotion (See "Terms and Condition"). Your Privacy is guaranteed. We will never give, lease or sell your personal information. Period!

We hope you enjoy our site and most importantly your purchases from us.
